

## Bread and Butter Dentistry

**Dr. Mark Duncan**

### COURSE DESCRIPTION:

During this course we will explore several basic and fundamental perspectives regarding both the dental opportunities and the psychologies of our patients. It is apparent that in all of our various experiences in dental education, we are given exceptional foundations from which to expand our thinking and grow our skills. Most dental programs do an excellent job of creating solid and in many, exceptional hand skills. However, with the rate at which our profession is changing, it is impossible to not aggressively pursue growth and knowledge if we are to stay current.

Between advances in materials and technologies, the profession is enjoying a pace of increasing knowledge is has not seen before. We will cover some of the highlights and some of the most exciting things that impact the everyday dentistry we deliver to our patients.

After this course you will have a better understanding of:

- Materials choices and which materials work best in which situations
- How to determine which cases should not be treated without consideration given to other issues first
- The dramatic power of including your patients in the conversation

### CLINICIAN:

**Mark Duncan, DDS**, received his college and post-graduate studies at the University of Oklahoma, culminating with a D.D.S. degree in 1995. Following Dental School, Dr. Duncan vigorously pursued continuing education to grow past what was taught in dental schools; twice being recognized as the leader in the State for Continuing Education. He completed the surgical and prosthetic sections with the Misch Implant

Institute, earning Fellowship with the Institute as well as holding Diplomate status with the International Congress of Oral Implantologists. He has also earned the Fellowship with the AGD in the shortest time period allowed by the Academy. In 2007 Dr. Duncan was invited to join the full time faculty at the Las Vegas Institute and has moved to Vegas where he teaches with the Institute.

Continuing Dental Education at the University of British Columbia designates this activity for 6 continuing education hours.

Continuing Dental Education at the University of British Columbia is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at [www.ada.org/goto/cerp](http://www.ada.org/goto/cerp).

**DISCLAIMER:** Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia.

**Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. Registrants withdrawing prior to the course will be refunded less a \$50 handling charge. Fees will be refunded only in exceptional cases after the course date and written refund request must be made.**
