Pay by Phone

Pay by Phone is as simple as 1-2-3! Many street parking areas at UBC allow pay-by-phone parking. Just enter your license plate. No need to go back to your car, note how much time you have or rush your stay. Receive text message alerts when your time is almost up and if you are running late you can just extend your time remotely by phone.

No more waiting at pay stations or scrounging for change. Pull into a Honk zone, select the amount of time, and with a tap of a button your session is paid and a receipt is emailed within seconds. Honk accepts all major credit cards, Visa Debit, PayPal & Masterpass.

You will need to download app.honkmobile.com and sign up to pay-by-phone.
