CLINIC	Nobel Biocare Oral Health Centre, UBC

TUITION

Full payment	\$1495
Installments	\$795 deposit available until April 8, 2020 \$700 final balance due April 8, 2020

This module involves approximately **50 hours of instruction** on expanded duties in orthodontics, and includes lecture presentations, clinical DVD, handouts, clinical instruction and supervised clinical practice. All participants will attend the three day lecture (May 20-22, 2020) together. Approximately six weeks prior to the course, we will advise you whether you are in clinical session A or clinical session B. *Please note, we will only hold a session B if there is enough demand for two sessions. Priority in Session A will be given to out of town participants.

Certified Dental Assistants who successfully complete the program will be eligible for the Orthodontic designation with the College of Dental Surgeons of BC. It is also an opportunity for Dental Hygienists, regulated by the college of Dental Hygienists of BC, to obtain formal advanced education in this area.

ELIGIBILITY REQUIREMENTS:

- Current active license to practice in British Columbia
- One (1) year practical experience as CDA or Hygienist
- Good vision for close work (or effective corrective prescription)

As participants work intraorally on each other it is important that you have enough teeth that can be separated, or you must bring a stand-in. If you are in braces you will be required to dewire and debracket some teeth, or bring a stand-in.

CLINICIAN

PAUL A. WITT, DDS, DIP ORTHO, FRCD(C), graduated in Dentistry from the University of Toronto in 1974 and received a Diploma in Orthodontics in 1979, also from the University of Toronto. Dr. Witt has been teaching orthodontics since 1981, and is currently a Clinical Assistant Professor with the Graduate Orthodontics Program in the Faculty of Dentistry at the University of British Columbia.

CANCELLATION POLICY

\$295 of fees are non-refundable at any time. There will be no refunds given after February 1, 2020. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation a full refund will be issued.

ADA C-E-R-P® | Continuing Education
Recognition Program

CDE at UBC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.
